How to make sure you attempt the correct amount of classes

At UHMC, our college courses are usually a "semester" long ...  
this means that your class will span approximately 16 weeks.

Each course is usually 3 college credits.

3 credits will usually involve 3 hours in class per week

AND

up to 6 hours of study or homework per week.

So

One 3 credit college course will require a commitment of about 9 hours per week

Time involved when enrolling in ...

1 course ... 9 hours (3 in class/6 study)

2 courses ... 18 hours (6 in class/12 study)

3 courses ... 27 hours (9 in class/18 study)

4 courses ... 36 hours (12 in class/24 study)

5 courses ... 45 hours (15 in class/30 study)
