The Recruitment Module in Banner system is being researched for possible use, online application process also being researched. The committee is also working with Dan Kruse who represents MauiCC at a system-wide level. A faculty/staff handbook to expedite the paperwork process is also being researched.

- Determine appropriate recognition rewards – completed

At the semester convocation a drawing will be held of all nominations from the previous semester for an appropriate grand prize to be garnered by the Chancellor.

- Next goal is to create a process of “Encouraging Risk Taking.”
