

MAUI COMMUNITY COLLEGE DISTANCE EDUCATION FORM 2008/2009

Complete ONLY IF you are enrolled in Distance Ed Classes at another UH Campus

Name: _____ ID/SSN: _____

If MCC is your home campus, you can get financial aid for courses taken at another UH campus, if they apply towards your MCC degree. Please note that distance education courses are not automatically held and students are still responsible for tuition due to campuses other than MCC as they are not automatically paid for by your MCC financial aid.

In order to get financial aid for Distance Education classes, you must:

- Declare MCC as your home campus and be seeking a degree from MCC;
- Be taking at least (1) credit at MCC;
- Have an MCC academic counselor/faculty advisor sign this form certifying that the course(s) you are taking at the other campus applies towards your MCC degree.
- Must fill out a distance education form for every semester that you are attending other campuses.
- Any changes to your distance classes will require an updated form.
