

Spring 2008
FINAL EVALUATION SCHEDULE
for semester-length classes

Final exam/evaluation sessions are two hours in length and scheduled in the room where the class usually meets. If a student misses an exam/evaluation due to illness or other excused reason, it is the student's responsibility to notify the instructor and make arrangements for a makeup.

Classes two hours or longer:

- The final exam/evaluation is scheduled during the regular class period, using the first class day in the final exam period: Friday, May 9 through Thursday, May 15. (*Thursday, May 8 is the Reading Day.*)
- Evening classes of 2+ hour length will schedule the exam from 6:30-8:30pm on the regular class night.
- Saturday classes will hold a 2-hour exam, beginning when the class usually starts.
- Flex and other module/non-semester-length classes have the final evaluation at the last class meeting day.

Classes shorter than two hours:

The exam is scheduled on a day when the class regularly meets, following the schedule below.
 (Note.- Classes that meet only one day a week will have their exam on that day at the regular time.)
