## **NEW** FRESH PAINT!

You may have noticed our Apprenticeship students repainting the interior hallways and common area

walls of our Ka Lama Building. This project is being led by Apprenticeship Coordinator Mike Young and his team and this will likely continue in portions for several weeks. They will not go into offices or classrooms, so the impact to your classes and programs should be manageable. If there is a conflict with the painting schedule and your activities, please contact David Tamanaha [davidt@hawaii.edu](mailto:davidt@hawaii.edu) and we'll be sure to adjust accordingly. The freshly painted areas will be properly cordoned to avoid any unintended accidents. And it's going to look fantastic when completed! Mahalo for your cooperation.
